

Ambassador Christian Academy
Acceptable Use Policy of the Computer Facilities

STUDENTS GRADES K-8

The computer system is in place to enhance your educational experience. The computer is a powerful tool and can be used to glorify God in many ways. It is the hope of the school that you will learn to use these materials to improve your reading, writing, math and other skills.

The following activities are not permitted on Ambassador computers:

1. Employing the system for commercial purposes
2. Sending or displaying offensive material
3. Downloading software or files
4. Installing software
5. Making changes to computer hardware settings, software, or wiring
6. Trespassing in other's folders, documents or files
7. Using obscene language
8. Making unauthorized copies of licensed software
9. Revealing your full name, phone number, home address or those of other persons when using the internet
10. Using e-mail

The use of equipment, computers, network resources and the Internet is a privilege; not a right, and the inappropriate use will result in a cancellation of those privileges.

Parent or Guardian: As the parent or guardian of this student, I have read the Computer Acceptable Use Policy for Ambassador Christian Academy and I understand that the computers are for educational purposes. I understand that Ambassador Christian Academy has taken available precautions to eliminate inappropriate and objectionable materials. I also know that it is impossible for Ambassador to restrict access to all inappropriate and objectionable materials and I will not hold them responsible for materials acquired on the network. I hereby give permission for my child to use the computer network including the Internet.
